

DELISHKO GLOBAL FOOD PVT. LTD.

Company Profile

“A recipe has no soul, You, as the cook must bring soul to the recipe” - Thomas Keller

Inspired by the famous quote by American chef Thomas Keller, We at Delishko Global Food Pvt. Ltd. are in the journey of making each kitchen as the happiest place in preparing and serving soulful food recipes by offering the best quality ready to cook solutions in the most easiest and affordable way.

Inspired by “Atmanirbhar Bharat (Self-Reliant India)” vision, very young and dynamic team of well-educated working professionals with vast and diverse experiences began this journey in 2020 with a vision to nourish people's lives by offering a wide variety of natural, convenient, delicious and affordable ready to cook and ready to eat food solutions that can help everyone enjoy a balanced and healthy diet. Within a short span, Delishko Global Food PVT. LTD. established as a leading manufacturer and exporter of 100% natural processed food products under the brand name “Delishko’s”. Our esteemed customers happily accepted our entire ready to cook and ready to eat products because of their freshness, 100% natural ingredients, richness in taste and longer shelf life.

These products are manufactured in ISO 22000 certified manufacturing facility on most advanced food processing machines under the most hygienic and clean environment complying with all the requirements for food safety regulations. Our highly qualified and experienced food technology experts are testing these products during various phases of manufacturing by using latest analytical tests and tools. Our products are being packed in various sizes using the latest, most safe and hygienic retort packaging technology / Multilayer packaging, which enhances the shelf life of the product retaining its freshness, aroma and flavor for a longer time.

Our Tagline **“Jab Life Ho Busy, Delishko’s Banaye Khana Easy!!!”** itself describes our objectives.

Collaborations:

We are collaborating directly with farmers for sourcing of raw agro products with natural freshness and quality to process these farm produce into more valuable easy to cook solutions benefitting farmers as well.

Our Quality Certifications:

CSR Initiatives

“Education for Each and Every one”

Through our NGO “Janiv Shaikshanik ani Samajik Sanstha, Dombivali” we are reaching out to the rural and tribal villages in Maharashtra state to propagate education by improving basic school infrastructures, digitalization of schools, School kits donations and financial assistance for educational and sport fees for students.

Employment and Skill Development

Through employment and skill development programs, we are providing required skillset training and support to the unemployed tribal youths and women for promoting local product manufacturing and its marketing and sales to support their families.

Health

Through this initiatives general health checkup camps, eye checkup camps, health awareness expert lectures are regularly arranged to educate and convey the importance of hygiene and health to the tribal people. Under “Swachha Bharat Abhiyan”, many cleaning drives conducted at various locations to keep the surrounding area clean.

Food and Cloths Donations

Through “Sharing Happiness” initiative, we celebrate Diwali, Holi and other festivals by distributing snacks, sweets and used but wearable clothes at various Adivasi Padas and villages in Thane and Palghar districts, which brings priceless smile and happiness on the faces of poor but very kind Adivasi people.
